A Message from the Principal

Karrendi Primary School – 50th Anniversary – 2019

We have some special news to share. Next year marks the 50th anniversary of the opening of Karrendi Primary School. The school opened in February 1969 and at that stage was named Parafield Gardens East Primary School. We have a committee who is currently working hard to organise celebrations to mark this anniversary on Saturday, 23rd February 2019. If you are a past student or Parent/Caregiver of Karrendi PS and have any photos or memorabilia you would like us to include in our displays on the day, please see Judy in the front office. We look forward to sharing more information about this special event in the near future.

Book Week

What a fantastic Book Week we had last week. Many thanks to Lyn Beattie who did a wonderful job creating displays in the library, preparing a range of activities for our students and organising our Book Week Parade. It was wonderful to see so many students dressed up as book characters or dressed linking in with the theme, "Find your Treasure". It was also great to see so many Parents, Caregivers and family members at our Book Week Parade. Thank you for your support.

Reminder – Dropping students off at school

We are currently having significant issues regarding students been dropped off at school earlier than 8:30am. This is causing major congestion and safety issues due to the large number of students waiting in the front office. We understand that there may be the odd occasion when you need to drop off your child/ren early. If this is the case, please write a note that can be shown to a staff member. Thank you for your support regarding this issue.

Regards,

Mandy Alcorn - Principal

Book Week Parade 2018

We had an amazing turnout for our Book Week Parade last Friday! Here are some snaps of students (and teachers) in their creative costumes, and some of the work our students produced during their fun Book Week activities with Mrs Beattie.
