## A Message from the Principal

Dear Parents and Caregivers,

### Canteen news

As many of you know, from March 1st some restrictions have been introduced around the use of single use plastics. The current restrictions no longer allow for the use of plastic straws, spoons or forks. This will impact on our school canteen. Julie has been working very hard to find non-plastic forks, spoons and straws but it does come with an increased cost. Rather than increasing canteen prices, Julie will only be handing out these items if they are required for a lunch order. This means that if your child has lunch from home that needs some cutlery, this cutlery will need to be supplied from home. We will keep you updated on the ongoing changes in the use of single-use plastics. At this stage, none of it will result in changes to the canteen menu but this may have to occur at a later date depending on the next wave of restrictions.

### Assemblies

As you may know, we have resumed assemblies this year. In each newsletter we will let you know when these assemblies are and which class will be running it. In order to maintain social distancing we ask that you only attend those assemblies that are being run by your child's class or where your child is performing or receiving an award.

### AGM Reminder

Just a reminder that our Governing Council AGM will occur on Tuesday 16th March at 2pm in the Library. We would love to see you there. Included with this newsletter is a nomination form that you can use to nominate either yourself or a friend to become a member of Governing Council. We encourage you to give it a go as it is a great way to be part of elements of the School's decision making.

Kind Regards,  
Denise Squire  
Principal

## Harmony Day

Harmony Day is on the 21<sup>st</sup> of March in Australia. As this date falls on a Sunday this year, we will be celebrating Harmony Day on Monday 22<sup>nd</sup> March. The message of Harmony Day is 'everyone belongs'. We encourage students to wear orange clothing to school and/or traditional clothing from their cultural background. The canteen will be selling Harmony Day cupcakes for \$2.50. Harmony Day notes and cupcake forms will be sent home in week 7.

Room 17 will be hosting a Harmony Day assembly on Monday 22<sup>nd</sup> March at 9:10am in the gym. This will give students who have dressed in traditional clothing the opportunity to show and share with all students. We welcome all parents, caregivers, family and friends to attend and celebrate this day with us, however, please ensure you are social distancing with other adults. You are also welcome to join in our annual "Harmony Day Chalk Drawing" activity on the asphalt straight after the assembly.
